Is Mishraji busy right now? I have to get his signatures on these new policy reports!
No, I think he's preparing a report for the head office.
Savita's in his office with him right now.
I wish I had a secretary like Savita. She's so sexy!
Yeah, but I hear that she's a workaholic... She does a lot of overtime alone with Mishraji after everyone else has left the office!
I wonder how she handles Mishraji... He's such a strict boss!
Mishraji's Office
Mmmmf... Shoot your cum in my face...

Now, here's the file with details of the new company ad shoot. I want you to go there and oversee so that there's no problem.
Thank you sir!
See that it is finished on time and I might think about that promoting you instead of Shalini!
Let's see now... The photographer is the world famous Mr. Nick Jones and he'll be here for only 2 days before he returns to the U.S.
Mmm... He's quite handsome too...
At the Studio
Welcome to India, Mr. Jones!
Ahh no...Please call me Nick. I don't want a beautiful woman like you to be so formal with me!
Okay then Nick! We're on a tight schedule so my assistant will take you to go meet the models
Call me if you have any problems!
kirtu.com

Come with me sir, our company has decided to use two new upcoming models for the shoot! They are very eager to meet you.
If any of them has a sexy ass like her's then I'm eager to meet them too...
Soon
Mishraji has got these estimates wrong again...
Knock Knock
Come quickly Savita. There's a problem!
Sheetal, what's going on here?
Thank god you're here, Savita!
Mr. Nick is throwing a big tantrum inside! Do something or we'll have to cancel the shoot.
kirtu.com

But where are those models going?
We're Leaving!
You can tell your big shot photographer that we are not going to stand up to his nonsense anymore!
Miss Savita! I can't work like this!
Those girls just won't do!
What's wrong Nick? Why did those models leave?
I wanted to do this ad so that I could shoot beautiful Indian women! And your boss has sent me those thin 'size zero' models!
I need a real Indian woman, not thin stick models for my shoot!
Let me see what Mishraji can do about it?
But Mishraji...
I don't want excuses Savita...Nick is supposed to leave India tomorrow. So we need this shoot done today...Do anything to get it done!

Wow! You are looking gorgeous Savita!

But, I'm still a little nervous Nick!

Don't worry and just relax!

Now smile for me!

This reminds me of the fashion show!

But there were more wives like me in the show and I'm all alone in this shoot!

Now how about a shot of you in only the blouse!

All these people are staring at me! Maybe this was a bad idea after all!
